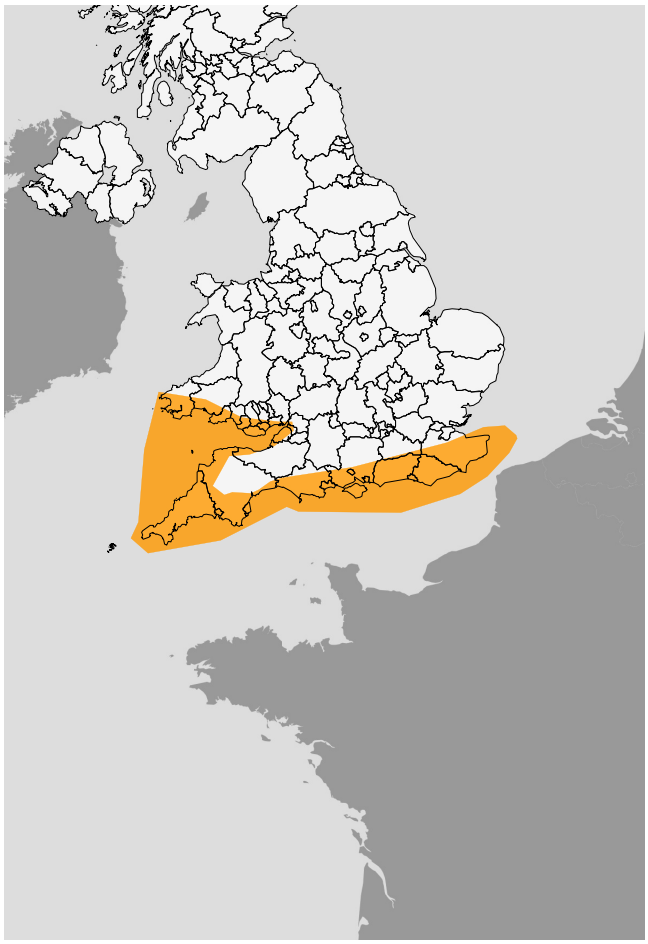
Amber warning
Wind

Between
22:00 Sat 26 Dec 2020 and
09:00 Sun 27 Dec 2020



Storm Bella will bring disruption to travel and utilities over parts of south and southeast England and south Wales

What to expect

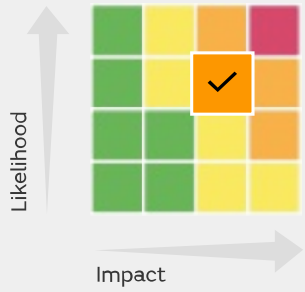
- Longer journey times and cancellations likely, as road, rail, air and ferry services may be affected
- Some roads and bridges likely to close
- Probably some damage to buildings, such as tiles blown from roofs
- Flying debris is likely and could lead to Injuries or danger to life
- Injuries and danger to life is likely from large waves and beach material being thrown onto coastal roads, sea fronts and properties
- There is a good chance that power cuts may occur, with the potential to affect other services, such as mobile phone coverage

Further details

Very strong southwesterly winds are expected for parts of south and southeast England and south Wales on Sunday morning.

Inland gusts of 50-60 mph are likely with a few spots likely to see 60-70 mph for a time. Hills and particularly coasts exposed to the southwesterly winds will see a few gusts of 70-80 mph.

In addition to the strong winds, a period of heavy, squally rain is expected and may prove an additional hazard.



Medium likelihood of medium impacts

Issued at 10:49 Thu 24 Dec, 2020
